A Word from Our President, Jean Jordan

Hi, B's!

I hope the summer of 2017 has been filled with family, friends, and a very relaxing vacation. The Clipped B's are excited about the 2017-2018 year coming up. The Frontiers of Flight Museum located in Dallas has reopened the Braniff Gallery refresh on August 18, 2017. New lighting, interactive screens, new uniforms added to the displays, our Braniff Gallery is the 2nd largest but most popular in the museum. I hope you have a chance to tour the museum soon and take your family and friends. The interactive screens will have a Clipped B telling you about each uniform and this is worth the price of admission. The Clipped B's presented a check for \$5,000 to the museum (see picture on next page). The B's will continue our celebration of the founding of our club in 1947 with a 71st anniversary party in May. BISE will host their last fly-In Memorial Day at Denton, Texas airport on Monday, May 28, 2018. We are hoping to make this a very large Braniff family reunion. Please mark your calendars for the Fly-In and the Clipped B's May luncheon. Check our new yearbook (and below) for all dates and times.

If you would be interested in joining the Clipped B's Board for 2018-2019, please let me know by October 31, 2017. Please email me at lilybel13@yahoo.com.

Important News from the Clipped B Board of Directors

This new section is being added to the BUZZ NOTES and is intended to be used, as needed, to communicate and/or clarify any questions or issues which are presented to the Clipped B Board of Directors for consideration.

In recent months, three issues were presented to the Board for a vote with the following approved results:

- 1) Changes to the Clipped B By-Laws. These changes will appear in your yearbook;
- 2) The promotion or sale of any item or business venture will be prohibited at all Clipped B functions;
- 3) All members are welcome to invite and bring a guest(s) to any Clipped B function. If there are fees or charges involved, such as cost of lunch at Spring luncheon, the inviting member is responsible to cover the cost for the guest(s).

Our functions are social and are intended to provide a venue which is conducive to renewing old friendships and sharing old memories while making new friends and new memories.

We will continue to update you in the future as items of interest arise or issues need to be clarified.

Jean Jordan, President of the Clipped B's presents a check for \$5,000 to Cheryl Sutterfield-Jones, President & CEO of the Frontiers of Flight Museum at the "Ribbon Cutting" of the reopening of the newly refreshed Braniff Gallery on Friday, August 18. More pictures of this event will appear in the November issue of the Buzz Notes.

Luncheon Honorees

In 1947, four ex-Braniff hostesses met for lunch to reconnect after resigning because they had gotten married. **Kitty Wilson**, one of the four and who has been a Clipped B for 70 years, was honored during the May 5, 2017, Clipped B's spring luncheon.

Kitty joined Braniff after completing her degree at SMU in Dallas. She joined Braniff in 1943. Her career ended in 1946 when she married Phillip Wilson.

The four charter members thought it would be fun to stay in touch with other BI hostesses after their airline career had ended. Kitty asked Chief Hostess, Willie Peck, for the names and numbers of other hostesses who had resigned and the group slowly grew from 1947 to 1950. In 1950, the group decided to become more organized and during a luncheon at the Melrose Hotel with 27 members, the name "Clipped B's" was voted on and became the official club name. A charity was designated. Dues were five cents per member!

Kitty, thank you for making all this possible! It's all because of what you started in 1947! We are forever grateful to you!

Kitty Wilson and Jean Swindell

Article and Picture of Jean compliments of Barbara DeMoulin

Jean Duncan, an only child, was born in Chapman Ranch Texas, a small town 17 miles south of Corpus Christi. Her Daddy was a farmer and a carpenter and her Mother was their homemaker. She attended school in Chapman Ranch through Junior High and graduated from Corpus Christi High School. After graduation she finished two years of Junior College and then transferred to the University of Texas where she was graduated with a BA in 1948. For 3 years she taught Science, English and Math to the 7th-8th and 9th graders in Corpus.

On a whim in 1952, she moved to Dallas with one of her friends from Corpus and was trying to decide what to do with the rest of her life. One day the phone rang in her apartment and someone from Braniff Airways wanted to know if she was interested in flying for the company? Her response was, "Well, I don't know, I will have to ask my Mom and Dad first."

In that moment a Braniff Legend was born! The flash of that smile, the tilt of her head, you knew she was a professional the minute you met her. What you didn't realize at the time was you would become part of her vast extended family and that she would love you as a best friend, worry about you more than your Mother would and if you had graduated from one of her classes she would never, ever forget you.

After going through Hostess training, Jean was based in Dallas on January 1, 1953. She flew on the line for six years. In 1959 she was recruited to head up the Hostess training program. In 1967 she convinced the "Powers that Be" that Braniff truly needed a Training College and they agreed that it was time to get the school out of the hanger! The new building was finished in 1968.

In 1969, her next assignment at Braniff was to open the new base in Houston, which she took on with as much love and efficiently as she did everything else. With the expansion of the airline routes growing so quickly, Jean got the feeling she was missing a lot of exciting times so she returned to the Dallas base and flew Domestic and International until that fateful day, May 12, 1982. She was the "Senior Mama" on the last flight back from Honolulu, Captained by Charlie Lamb, who famously told the dispatchers when they wanted him to return Fat Albert back around, "negative, we are now at the point of no return". And so it was, that when flight 502 landed at DFW it was the end of Jean's flying career.

After the Braniff bankruptcy, Jean worked for Arthur Anderson Accounting in Dallas and retired in 1997. She is now happily living in Dallas with her beloved dog Bella and is still active in the Clipped B's.

Braniff “FLY IN” Held May 29, 2017

The BISE Memorial Day Fly In was held at Denton Enterprise Regional Airport in Denton, Texas from 11:00 a.m. to 3:00 p.m. Entry was free and included beverages. A BBQ lunch catered by Rudy's BBQ was available for purchase. Below are the 28 Clipped B's who attended. 300 former Braniff Family members attended the fly-in as well. 2018 is the last Fly-In so mark your calendar. We are hoping for a large Braniff family reunion Memorial Day 2018

Mary Sue Seibold's first roommate after flight training was Ta Achord. Somewhere around 1968 they lost contact and had not spoken for 46 years. Out of the blue in March, Ta called. While catching up, Mary Sue asked Ta to come to our spring luncheon. During her visit, Mary Sue took Ta to their first apartment, the flight museum, down Cedar Springs, where most of their lives happened, and to the flight school. Before leaving on Sunday, they had breakfast at the Melrose Hotel where they stayed during flight training school. Wow, what a change!

The spring luncheon was terrific! Saturday they had lunch with the girls who also lived at their first apartment. How fun to walk down memory lane! The weekend was a blast and many more memories were made!
